

INSTALLER WANTED

Daytona based company looking for an installer of window treatments needed. Must be able to install blinds, cellular shades, shutters and exterior awnings.

Able to take accurate measurements, and use hand and power tools. You will need your own basic tools, and have good customer service skills. Must have a neat appearance, and ability to solve problems with little or no supervision dealing with both residential and commercial customers.

Monday through Friday, with occasional Saturdays required. You will need a valid Florida driver's license as you will be driving a company vehicle throughout Volusia, Flagler, and portions of Seminole County. Must be able to pass a background and drug screening test.

Full Time hourly wage; Salary flexible based upon experience
